Some thoughts for February

February is the border between winter and spring.
Terri Guillemets

*The February sunshine steps your boughs
and tints the buds and swells the leaves with-
in.*
William C. Bryant

There is always in February some one day, at least, when one smells the yet distant, but surely coming, summer.
Gertrude Jekyll

In February there is everything to hope for and nothing to regret.
Patience Strong

While it is February one can taste the full joys of anticipation. Spring stands at the gate with her finger on the latch.
Patience Strong

If February is a let down for you after Christmas and the New Year, come and join our church and chapel congregations for fellowship, fun and learning more of God's love for you.

*To love Christ and
make Him known*
